

Sacramento Floral Design Guild

Membership Application

The Sacramento Floral Design Guild (formerly Sacramento Arrangers Guild) is a non-profit organization dedicated to the advancement of floral design. We invite your participation in our activities and encourage you to join our organization.

Organized on July 25, 1951 the Sacramento Floral Design Guild provides a wide variety of activities to its members; these include:

General Meetings: General Meetings are held at the Shepard Garden and Arts Center on the fourth Wednesday of each month September through May, at 10:00 a.m. unless otherwise announced. Meeting programs include demonstrations by floral designers and evaluations of creative arrangements by members.

Workshops: Floral design workshops are held monthly September through April, except in December, generally the second Wednesday at 10:00 am. These hands-on workshops are free to members and guests.

Plant Sales: In conjunction with other member clubs, the Guild participates each year in plant sales and other fundraisers benefiting Shepard Garden and Arts Center.

Project: During the first week of December the Guild decorates the Shepard Garden and Arts Center with Christmas decorations for the enjoyment by all other member clubs and the general public.

Flower Shows: The Guild participates in the design and displays at various clubs' flower shows such as: Camellia Society, Chrysanthemum Society, and Rose Society.

Flower Arrangements: From September through May, designated Guild members provide fresh floral designs in the Shepard Garden and Arts Center foyer weekly, and decorate the Center's niches in the East Room monthly.
